M.R.O.- Access to records to Sri V. Shanmugasundaram Research Student - Permitted.

Copy of the letter, Dr. B.S.Baliga, Ph.D.(Lond).,Curator, Madras Record Office, Chittor, To the Secretary to Government Education and Public Health Department, Fort.St.George, Madras, letter No. 3116-D. 7/49-1 dated 20th December 1949.

S I R,

Sub:— Madras Record Office - Access to records - Sri V.Shanmughasundaram - Permission - Requested.

I enclose a letter which I have received from the Professor of Indian Economics, University of Madras, forwarding and recommending an application from Sri V.Shanmughuasundaram, a research student working in his Department, for permission to consult the printed records available in this office from 1919 to the present day relating to the subject "Recent Trends in Federal Finance".

2. According to the rules governing access of the public to the records in this office for purpbses of BONA FIDE historical research, the permission of the Government is necessary for consulting the records of ~~the last 50 years subsequent to 1856. Besides, the records of the~~ all the Departments subsequent to 1856. Besides, the records of the last 50 years being current records, the originals of the records of this period are not thrown open to research and only the printed copies of the records placed at the disposal of the press during this period are made available to research students.

3. The Research Student desires to consult the records relating to his subject up to the present day. But as the records subsequent to 1944 have not yet been transferred to this office, he can examine the papers placed at the disposal of the Press only from 1919 up to 1944.

4. I do not see any objections to his being granted permission to consult the printed copies of the records relating to his subject which have been placed at the disposal of the Press from 1919 to 1944 As all printed copies are however now kept at the Egmore branch of this office, the research will have to be done at that office.

5. If the government grant the permission applied for, the usual precautions will be taken to see that he does not consult the records which are not relevant to his subject and that the notes taken by him are scrutinised before he is allowed to make use of them. Care will also be taken to see that the rules governing research contained in G.O.

No.58, Finance dated 5-2-32 and 297 Finance, dated 2-5-35 are duly observed by the Research Student.

Yours faithfully,

(Sd.) B.S.Baliga,
CURATOR,
